Effective Waste Management at Games Village

Accumulated wastes in the Games village shall be segregated into biodegradable, non-degradable and sewage; a separate waste management system for each shall be in place. Work for a sewage treatment plant has been awarded.

Sports arenas wake up for Games

Shipment of SIUS shooting equipment for Vattiyoorkavu Shooting Range shall be reaching Nedumbassery airport on 19th December. Floating platforms for various water sports at Alappuzha shall also be reaching Kochi soon. Kollam Corporation Stadium will sport a new look after the repaint.

MCT to assist Opening and Closing ceremonies

Medical College, Thiruvananthapuram shall assist in emergency medical services during the Opening and Closing ceremonies of the Games.

Software modules being tested

In-house testing on the arrival and transportation modules of the software is on progress. The modules which are developed by CMC are being tested by the ICT Committee.

Elaborate arrangements for medical assistance

Medical assistance like stretchers, ambulances, services of physiotherapists and stretcher bearers shall be coordinated by NGOC at all venues. NCC and Red Cross volunteers shall assist in carrying stretchers and support services.

DMOs in-charge of District level medical services

District Medical Officers under the Health Service Department shall function as District Medical Coordinators who are entrusted with coordinating and organising medical services at respective venue districts during the Games.
